Remarks/Arguments:

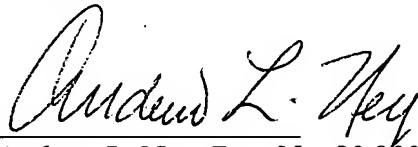

The formal drawings submitted herewith are in response to the Notice Regarding Drawings dated December 30, 2005 and the NOTICE OF DRAFTSPERON'S PATENT DRAWING REVIEW dated December 29, 2005.

In complying with the requirement of the Draftsperson that original Figure 3, on four separate sheets of drawings, had to be identified as Figures 3A, 3B, 3C, and 3D, it became necessary to amend the specification at numbered paragraphs [0051] and [0077] of the published application.

Numbered paragraph [0056] of the published application has been deleted because an error was made by applicant by including a reference to a Figure 8 in the BRIEF DESCRIPTION OF THE DRAWINGS. There is no Figure 8 included in the drawings of this application and there is no reference to a Figure 8 in the description of the invention.

Applicant respectfully requests acceptance and entry of the formal drawings and the amendments to the specification.

Respectfully submitted,

Andrew L. Ney Reg. No. 20,300
Attorney for Applicant
